Please join members of the Cleveland Chapter of SLA for a night in the Treasure Room. Ed Aichele will describe some of the challenges and changes in Document Delivery; and Jeff Martin, Special Collections Department Librarian, will provide a tour of Cleveland Public Library's Special Collections Department and present a brief program describing the "Incidental Treasures of a Bookman."

Ed Aichele at Research Investment, Inc. is a specialist in document delivery. Mr. Aichele works with a team of document delivery professionals that promise to provide their clients with documents of all types from books and articles to patents and conference proceedings. Research Investment, Inc. prepares translations, handles copyright issues, and creates packages on any topic for any client with or without citations. Find out how Mr. Aichele and his team access information from libraries around the world and use hundreds of vendors to provide the very best in document delivery.

Jeff Martin/Special Collections Librarian, a one-time cataloger and university librarian, will provide a tour and short lecture describing a few of the real treasures located in the Special Collections Department.
