The Cleveland Clinic Alumni Library serves the employees of the Cleveland Clinic Foundation. Its mission is to be a liaison between Cleveland Clinic personnel and information sources that support patient care, research and education. The Alumni Library staff facilitates timely access to information in relevant formats from resources both within and outside the Foundation. It also teaches information management skills to enable their users to keep pace with the rapidly evolving health sciences literature. The collection includes approximately 1,250 journal titles, 10,000 texts and various electronic media.

From the South Via I - 77 or I - 71: Take I - 77 or I - 71 north to downtown Cleveland. I - 77 and I - 71 merge with I - 90. If you're on I-71 (e.g. from Columbus or the airport), stay to the right as you approach downtown. When you pass the baseball stadium (on your left) and go down under some overpasses, get ready to exit. If you're on I-77 (e.g. From Akron/Canton, or from points east on I-90 or I-480), watch the signs very carefully as you get downtown. Two lanes of I-77 exit to three exit ramps. Follow the exit to I-90 East, but be ready to exit I-90 within about 1/2 mile. Exit to the right on Carnegie Avenue eastbound. The main Cleveland Clinic Campus is about 2 miles from I - 90.

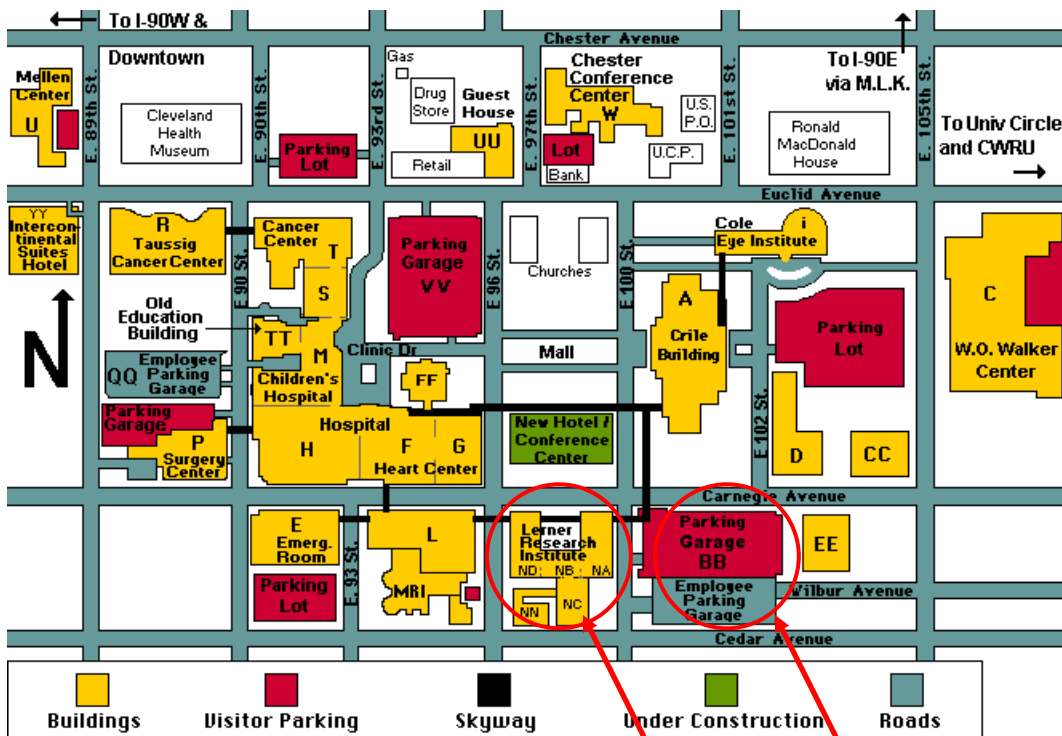

From the East via I - 90: Follow I - 90 west toward Cleveland. Exit at Martin Luther King Jr. Blvd., about two miles east of downtown Cleveland. Turn left (south) on Martin Luther King Jr. Blvd. and proceed about three miles to 105th Street (where you come upon University Circle and Case Western Reserve University). Turn right (south) on 105th Street. Go about five blocks to Cedar Avenue. Turn right (west) on Cedar Avenue and drive two blocks to East 100th Street. Turn right (north) on East 100th Street and turn right into the garage.

From the SouthEast or East Via I - 271: Follow I - 271 to the Cedar Road exit. Go west on Cedar and drive approximately eight miles to University Circle (you'll come down a tree-lined hill to an underpass at a Rapid Transit station, and then a rather complex intersection where you see Case Western Reserve University Buildings to your right.) **Watch the signs very carefully.** Bear right onto Martin Luther King, Jr. Boulevard for one block, and then turn left onto Euclid Avenue. Turn left onto 100th Street and left again into the parking garage.

From the West Via I - 90: Take I - 90 east to downtown Cleveland. Follow I - 90 east and exit at Carnegie Avenue. The main Cleveland Clinic Campus is about 2 miles from I - 90.

Parking: Park in the visitors' garage on the southeast corner of Carnegie and E. 100th street; it's "BB" on the map below. The entrance is from E. 100th street. You'll pay for parking as you leave – approximately \$5 for the evening.

Directions to Library: Once you're parked in the garage, go to the third level (stairs or elevator). Outside the elevator lobby are two skyways. Take the "south skyway" that crosses E. 100th street; signs say "Lerner Research Institute" and "Education". Once you cross the skyway you're in the NA building of the Lerner Research Institute (see map) - and the entrance to the library is right there from the 3d floor lobby. **DON'T GO INTO THE LIBRARY** - take the elevators across from the library entrance down to the first floor, and then go down the hall. We are meeting in room NA1-139. The main library phone number is 216-444-5697 or contact Gretchen Hallerberg hallerg@ccf.org with questions about directions.
