1055 E. 9th St.

The Special Libraries Association will likely change its name during the next year. The Association has completed 2 years of research into a possible name change and impact of a new brand. Attendees to the annual conference in New York City will vote on proposed new names.

This annual meeting of the Cleveland Chapter is an important one. Please join your professional colleagues in learning more about the proposed association changes. We will announce new chapter officers for 2003/2004 while enjoying lake views from the Coast Guard Club. We look forward to seeing you there!
