

Special Libraries Association

CENTRAL OHIO CHAPTER

Program Committee Meeting  
February 4, 2009, 4:00-5:00 p.m.  
Ohio Dominican University, Columbus, Ohio

The meeting of the Special Libraries Association Central Ohio Chapter Program Committee was called to order at approximately 4:00 p.m., by President Melissa Hill. Present were Mary Lou Baker Jones, Cinda Dietrich, Carol Knoblauch, Kemberly Lang, Connie Ostrove, Rebecca Stansbury, and Kathleen Whitt.

The committee discussed various reasons why people join SLA, and mentioned a number of ideas for potential program topics, such as alternative roles for librarians, social networking tools, and professional development workshops. The possibility of holding joint meetings with other, related organizations was also mentioned.

It was decided to conduct a survey of the chapter membership using SurveyMonkey to explore what types of programs members are interested in, what times of day are best, and how to attract attendees from other areas. Kemberly Lang volunteered to draft the survey, with assistance from Kathleen Whitt.

The meeting was adjourned at approximately 5:00 p.m.
