

## Barry Moreno

### Librarian and Historian

*Statue of Liberty National Monument  
and the  
Ellis Island Immigration Museum*

Barry Moreno, librarian and historian at the Statue of Liberty National Monument and the Ellis Island Immigration Museum, will be our speaker on Wednesday, May 23, 2007. Barry is the author of over a dozen books, and is indisputably *the* authority on the history surrounding the Statue of Liberty and Ellis Island. Consider bringing a guest to hear this engaging speaker!

Our setting will be the Vanderbilt Education Center, a barn and artist's studio located on the beautiful grounds of the Bush-Holley Historic Site in Cos Cob. The Bush-Holley grounds and gardens have been lovingly restored to the way they appeared when the Cos Cob Impressionist art colony thrived there between 1890 and 1920.

As a special gift, we are hoping to arrange a pass for each meeting attendee to tour the Bush-Holley House individually at a later date!
