Attendees must enter the complex thru the gate on Luckie St. At the security checkpoint they will have to identify themselves and provide ID. Cars will be searched, then they will park and wait on a shuttle bus to take them to the front entrance on North Ave. Once inside the building, visitors must pass through metal detectors, receive their visitor's badges, and await escort by the host (me). Allow an extra 5-10 minutes for this process. A "waiting area" will be designated in the lobby for attendees.
