Dear potential special guest:

The Michigan Chapter of the Special Libraries Association is celebrating an important anniversary – 75 years of “putting knowledge to work.”

As a leader in the information community, [you know or you and] many of members of your staff [and students] have been active in SLA, contributing to the success of the Chapter and our profession.

Your colleagues in the Michigan Chapter hope you [and your staff/students] will again be part of that success, by coming to our Diamond 75th Anniversary party on May 13 in Dearborn.

We've planned two parties on the same day. The first is a free reception, hosted by Henry Ford (Dearborn) Centennial Library. The speaker will be Stephen Abram, an expert in information trends, who will gaze into the future and read our fortune with his well-known verve, humor and insight.

The second event is dinner at the Dearborn Inn. Cynthia Hill, president of SLA, will join us as for a wonderful evening re-connecting with colleagues and applauding the dedication, resourcefulness, and teamwork of our members.

Please join us for this glittering event.
