Events

1. The program on Dec. 1 at the Salem Public Library attracted 9 SLA members & 9 other library staff. See Peggy Malloy's summary on the SLA website. As a result of the program, at least 2 of the attendees sat in on one of the State Library's extremely successful training sessions for ideas for their own programs. The cost was \$200 (\$10 for 10 lunches).

2. HP will not be able to host an event Camille Wallin informed me.

3. Marcia & Gretchen attended the showing of the UCITA teleconference at Willamette Univ. We thought it showed librarians in an excellent light. I talked with Jim Scheppke about the status of UCITA in OR. OLA is taking the lead on this issue. Gretchen will contact the OLA Legislative Committee Chair to discuss a link on our website & distribution of information via our listserv (oops - discussion list).

4. Jim Scheppke told me he has found all-library type luncheons in the area to be so beneficial that he proposed restarting the Salem-area library staff luncheons. Gretchen & I thought SLA could take the lead by having another Lunch at the Library in early May with the topic of "sharing your learning/training tips". SLA may want to provide cookies & drinks for this. This could also serve to advertise the SLA annual dinner.

The Board approved by email vote to spend \$500 to host an SLA videoconference in Albany on March 29 from 10:00-12:30 at the U.S. Dept. of Energy Library. The title is: I Told You I'm Worth It: ROI & the Information Professional.

We should be able to recoup most, if not all of the money through registrations. The cost is \$25 for SLA members registering before March 19 & \$35 for SLA registrations after that date & for non-members.

Information was posted on the website & sent out to various listservs.
