PITT

MEETS

EAST ASIA

WWW.LIBRARY.PITT.EDU/LIBRARIES/EAL/INDEX.HTM

For more than a decade the University Library System of the University of Pittsburgh has been actively building new cooperative ties to East Asian Libraries. Come hear about the growing East Asian collection and the resources and services available to non-Pitt users from Ms. Xiuying Zou, head of public services for the East Asian Library. A tour of the East Asian Library will be available. Also, Eve Wider and Margarete Bower will speak about their participation in the ULS exchange program for librarians to China.

The program will be held at the **Hillman Library in Conference Room #272** (take the elevator to the second floor and turn left. The door to the conference room will be ahead to your left.)

****A Bite to Eat-Dutch Treat!***

The private room at **Panera on Forbes** has been reserved for us from 5:00 pm to 7:00 pm so that all who are interested can have a bite together and walk over to the program afterwards.

The meeting is **FREE** to Chapter members & students;
Non-members—\$5.00 payable to Pgh Chapter SLA
