Our speaker is **Frank Dinglihaber**, the founder and CEO of **Questyle** (<http://www.questyle.com/>), a startup product innovation company in Pittsburgh.

As an undergraduate and graduate student, Frank did work in English and German literature, philosophy, architecture design and engineering and urban planning. He has very specific ideas on the topic of **information ethics**, and an understanding of the problems that face us on the front line. In addition to sharing his ideas, he is looking forward to audience participation and discussion of a hypothetical ethical dilemma.

PLEASE **RSVP** NO LATER THAN **Friday May 2** by contacting:
