

SLA'S SAN FRANCISCO BAY REGION CHAPTER & BAYNET PRESENT:

**An Evening with Google's Jodi Healy
Manager, Library Partnerships Team**

Tuesday, January 16, 2007
Yank Sing Restaurant, San Francisco

Librarians and Google have a similar mission: to organize the world's information and make it universally accessible and useful. Google's Library Partnerships Team strives to support librarians who work each day to further that mission. Jodi Healy, a manager on Google's Library Partnership Team, will speak on Google's library initiatives. Ms. Healy joined Google in 2003 and the Google Book Search team—which works with The New York Public Library and the libraries of Stanford, University of California, and Harvard—as a partner manager in 2005.

Ms. Healy will discuss Google's Library Partnership Team initiatives, including Google Book Search, Google Scholar, and more. She'll also take questions during what promises to be an informative and entertaining evening. We look forward to seeing you there.
