### Special Libraries Association

#### **GOLD NUGGETS, A STAGECOACH AND AN ANNIVERSARY:**

#### **A TOUR OF THE WELLS FARGO HISTORY MUSEUM AND ITS SPECIAL 1906 EARTHQUAKE EXHIBIT**

Please join Anne Hall, curator of the Wells Fargo History Museum in San Francisco's Financial District, and the SF chapter of SLA for a unique perspective on San Francisco and California history.

The Museum is presenting a special exhibit entitled "San Francisco is in Ashes: The Great Earthquake and Fire of 1906" to commemorate the quake's 100th anniversary, featuring interactive displays, photographs, documents and artifacts. Anyone working in San Francisco in 1989 will especially appreciate this exhibit's focus on how business responded to the devastation.

In addition, we will be able to see a rich display of artifacts dating from Wells Fargo's founding in 1852--quite literally, as gold coins and gold nuggets comprise part of the collection. We will also be able to operate a telegraph station, ride in a replica stagecoach, and see an original 1867 Concord stagecoach that the company used to carry passengers and gold over rough roads in the newly settled land.

Refreshments will be served at Business Wire's conference room, 44 Montgomery, 32nd Floor, starting at 5:15 P.M. After Ms. Hall presents an overview of the museum, we will proceed 4 blocks up Montgomery to 420 Montgomery, 2nd Floor, to the museum. Anyone wishing to join us for the tour only should go directly to the museum some time between 6:15 and 6:30 P.M. (Please note that \$10 tour fee applies in either case. Thank you.)
