

SLA San Diego Chapter Meeting  
Tuesday May 13, 2008  
3:00 p.m. – 5:00 p.m.

**Bibliographic Searching and Managing Results**

Vicki Crom and Daniel Fitz-Enz

This program will provide an overview of the power and capability of reference management software for adding value to your organization and your deliverables. The program will include an introduction to PubMed searching as an example of bibliographic results that can be enhanced by reference management software.

**Speakers**

Vicki Crom will introduce PubMed. Vicki provides evidence-based care medical literature searching at Milliman Care Guidelines. Daniel Fitz-Enz will discuss reference management software. Daniel is the SLA San Diego Chapter listserv manager and Information Specialist at ProQuest.

**Location**

Amylin Pharmaceuticals  
9360 Towne Centre Drive, University City, San Diego

**Agenda**        3:00 – 3:30 Sign In and Networking  
                      3:30 – 5:00 Program
